## CLINICIAN / AGENCY REFERRAL

Do you have a client who is “stuck” in traditional talk therapy?

Will you be accompanying this client to the farm?

YES

NO

Would you like to be present as  
a co-facilitator or an observer?

*read this next! ►*

### CO-FACILITATOR

You will be paired with a  
TPF Equine Specialist who will  
collaborate with you to plan and  
implement activities that enable  
your client to achieve treatment  
goals.

### OBSERVER

You are welcome to be present  
to observe your client's farm  
session as an unpaid observer.

\$

Limited insurance coverage available.  
Full scale private pay = \$125.00/hour  
with sliding scale option if applicable.

\$

In this case, the farm charge is \$25.00/client/session where client  
may include couple or family. You can choose to pay the farm fee  
at time of service or be invoiced monthly.

*Some therapists opt to have clients pay this fee directly to the farm at time of service.*

## INDIVIDUAL / SELF-REFERRAL

Are you looking for a unique alternative to traditional talk therapy?

Are you currently working with a therapist?

YES

NO

Would you like to work with your  
current therapist at the farm?

YES

No problem!  
Your therapist will be paired  
with a TPF Equine Specialist  
who will plan session activities  
to help you meet your  
treatment goals.

NO

Your TPF therapist can  
communicate directly with  
your talk therapist if needed.

*read this next!* ▼

We have several therapists with various specialties  
who are available for sessions. You can view their  
biography and insurance panel information on the  
TPF web site before setting an intake appointment.

\$

Limited insurance coverage available.  
Full scale private pay = \$125.00/hour  
with sliding scale option if applicable.

*what's next?* ▼

\$

In addition to paying your therapist, you will be  
responsible for a \$25.00/session charge payable to the farm  
at the time of service.
